Little Child of Mr. John Talley  
Severely Burned While Playing Around Stove.

## WEDDED IN WASHINGTON

Mr. Wood and Miss Webb Married There—Roach-Foster Nuptials—Other Items.

Manchester Bureau, Times-Dispatch, No. 1102 Hull Street. The four-year-old child of Mr. John Talley, Jr., was horribly burned about the face, head and body Tuesday afternoon while playing around the stove as its mother was getting dinner. The child's clothes caught and the little body was enveloped in flames until the heroic efforts of Mrs. Talley succeeded in smothering the fire. Dr. Brodnax and Dr. Matthews were summoned and the condition of the child was declared to be very grave, indeed. Mr. Talley is a machinist, employed in the Southern Railways shops, and lives at the foot of Hull Street.

### AUSTRALIAN MOTHERS USE CHAMBERLAIN'S COUGH REMEDY.

The following letter from Mrs. W. F. Mitchell, of Broadford, Victoria, Australia, shows that Chamberlain's Cough Remedy furnishes the same prompt relief and is prized as highly by the mothers of that far away country as in the United States. She says: "In my family of eight, all of whom are subject to colds and coughs, I have tried many cough mixtures, but have found nothing so good as Chamberlain's Cough Remedy. Even in whooping cough it makes the attack very much lighter. In fact, I have used nothing else since first trying it, for its value was proved. I always recommend it." For sale by all druggists.
